>> Dave: We've received a few general and specific inquiries from regulated entities who are concerned
about their staffing during COVID-19 and how that might affect their compliance. Tonight we posted an
announcement on our website asking folks to work with us and that, in turn, we would work with them as challenges arise. We have established an email account to receive requests for enforcement discretion,
should anyone choose to request it.
>> And, although not highlighted in this document, we will look for places where waivers might be
appropriate. For example, I understand we are seeking an EPA waiver for certain operator-certification
requirements during the next few months when classes cannot be held and exams administered.
>> If you have any questions or concerns, please let us know.
